

**SuperQuote Request for Proposals (RFP) #102124
Identity Matching**

Response to Questions

Questions Due 06/16/23, 4pm

Responses Due 06/20/23, 4pm

1. Kindly confirm the amount budgeted for this project.

Depending on the solution proposed and chosen, we anticipate the cost in the range of \$50,000 - \$150,000.

2. Are you ok to share some sample data of few hundreds of records so we can do Proof of concept and show case to you how system looks like post deployment?

No, data will not be shared during the RFP process due to data sharing constraints. Offeror may use their own dummy data to provide a proof of concept.

3. What is the budget allocated?

Depending on the solution proposed and chosen, we anticipate the cost in the range of \$50,000 - \$150,000.
